Object: Personal reference letter for Erika Becerra

Dear friends

I have known Erika Becerra in a variety of self-advocacy actions in Italy since many years. She has founded the self-advocacy organization Asperger Pride and regularly collaborates with Autism-Europe. She is member of the EDF Youth Committee.

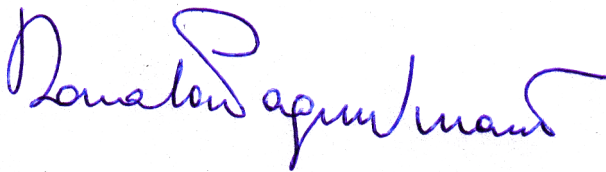

Erika is extremely motivated to advocate for the rights of persons with disabilities. Thanks to her deep intelligence and strong motivation she was able to overcome the social problems which are the core difficulty of Autism spectrum Disorders, and to develop friendships and collaborative work with the Youth Committee members. She is very reliable in her tasks and never misses a deadline or forgets an assignment.

In summary, I recommend Erika for any position or endeavor that she may seek to pursue. She will be a valuable asset for any DPO.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Donata
