

Roma, August 10th 2016

Simona Datti by this letter certifies :

That Erika Becerra was involved in Giuliaparla Onlus between June 2011 and July 2016.

During this time, she was working as a volunteer as a digital journalist, writing content for theme web sites; she has written projects to include children with social disease in educational activities. Her work was fundamental in the location of projects.

The tasks performed include the following :

- Writing of specialized content for social projects;
- Planning of educative and social events;
- Working with children and young people with social disease and Autism.

Erika Becerra is responsible, dynamic, and committed to performing her duties and has the capacity and willingness to learn quickly. She also has a remarkable ease and zeal to work in a team.

With this letter, I affirm that Erika Becerra should be considered as a good candidate to continue further in the selection processes. I commend widely her professional and personal behavior.

For the record and the appropriate purposes, I sign this letter and I remain at your disposal to clarify any questions or provide more information.

Sincerely,
Simona Datti
(President)
